| DESIGN |

Designed by Antonio Citterio for **ARCLINEA**, the Convivium island unfolds as a system of tables that expands the usable kitchen space and accommodates various functions. arclinea.com

The Island

VARIED OPTIONS
FOR THE ULTIMATE
GATHERING SPOT

||||: As durable as it gets, the Atelier kitchen island by **ABIMIS** is made entirely of AISI 304 stainless steel, a next-generation metal known for its lasting, antibacterial qualities. abimis.com

|||||: The Art kitchen island by **MODULNOVA** offers a mix of Appennino marble and walnut accents masterfully crafted with attention to detail. modulnova.it

||||: Designed by Vuasse for **SCAVOLINI**, the Poetica kitchen warms the atmosphere with ash wood in a style that brings together retro-inspired motifs with modern and functional details. scavolini.com
