THE HOME GYM GETS A STYLISH UPGRADE

▲▲▲: Designer biceps can come true with this dumbbell set from **LOUIS VUITTON**. Made from lustrous metal, each weight is finished with LV's Monogram Eclipse canvas on the handle. louisvuitton.com

▲▲▲: Designed by Mattia Pareschi for **SCAVOLINI**, the Gym Space features wall bars onto which workout equipment—including benches, elastic training bands, TRX systems, heavy bags, and more—can be secured. scavolini.com

▲▲▲: The Bystra press bench rack set with weights from **PENT FITNESS** mixes wood and stainless steel to make a sleek, designer statement. pentfitness.com

▲▲▲: Crafted from natural calfskin and wood, the Sporting Life skipping rope from **HERMÈS** is sure to raise heart rates. hermes.com
